Safety Data Sheet (SDS)

Revision Number: 3.0		Last updated	March 12, 2021	
1. Product and Company Identification				
Product Name:	EDC • HCl			
	N - (3 - dim	ethylaminopropyl) - N' - ethylca	rbodiimide	
Manufacturer/Supplier:	AnaSpec, Ir	ıc.		
	www.anasp	ec.com		
	34801 Campus Drive			
	Fremont, CA 94555			
	Tel: 510-791-9560			
	Fax: 510-791-9572			
	Email: servi	ce@anaspec.com		
	Kaneka Eur	ogentec SA,		
	Rue du Bois Saint Jean 5 4102 Seraing Belgium			
	Tel. +32-4-3727400			
	Fax. +32-4-3727500			
	E-mail info	@eurogentec.com		
	Kaneka Eur	ogentec Helpdesk		
	Tel. +32-4-3727665			
Catalog Number	AS-29855;	AS-29855-1000; AS-29856		

2. Hazards Identification

Emergency Overview: We do recommend handling all chemicals with caution. Use proper protective equipment when handling chemicals. To our knowledge, the hazards of this material have not been thoroughly investigated.

GHS Hazard Classification: warning

GHS Physical Hazards: H315: Causes Skin Irritation (Category 2)

H319: Causes Serious Eye Irritation (Category 2A) H335: May Cause Respiratory Irritation (Category 3)

GHS Signal Words: WARNING

GHS Hazard Symbol/Pictogram:

GHS Hazard Statements: H315: Causes Skin Irritation (Category 2)

H319: Causes Serious Eye Irritation (Category 2A) H335: May Cause Respiratory Irritation (Category 3)

GHS Precautionary Statements:

P261: Avoid breathing dust/fume/gas/mist/vapour/spray

P264 Wash skin thoroughly after handling.

P271 Use only outdoors or in a well-ventilated area.

P280 Wear protective gloves/protective clothing/ eye protection/ face protection

P302+P352 IF ON SKIN: Wash with plenty of soap and water.

P304+P340 IF INHALED: Remove victim to fresh air and keep at rest in a position

Comfortable for breathing.

P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact lenses, if present and easy to do. Continue rinsing.

P312 Call a POISON CENTER or doctor/physician if you feel unwell.

P332+P313 If skin irritation occurs: Get medical advice/ attention.

P337+P313 If eye irritation persists: Get medical advice/attention.

P362 Take off contaminated clothing and wash before reuse.

P370+P378 In case of fire: Use dry sand, dry chemical or alcohol-resistant foam for extinction.

P403+P233 Store in well-ventilated place. Keep containers tightly closed.

P405 Store locked up

P501 Dispose of contents/containers to an approved waste disposal plant.

P305+P351+P338: IF IN EYE, rinse cautiously for several minutes. Remove contact lenses, if present and easy. Continue rinsing. Call a physician

Potential Health Effects for:

Inhalation: If inhaled, remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give

oxygen. Good hygiene practice requires that exposure be kept to a minimum and that suitable control

measures be used in an occupational setting.

Ingestion: If swallowed, wash out mouth with water provided person is conscious. Call a physician.

Skin: In case of contact, immediately wash skin with soap and copious amount of water.

Eyes: In case of contact, immediately flush eyes with copious amounts of water for at least 15 minutes.

Chronic Exposures: No information available. We recommend limiting prolonged exposure.

Target Organs: No information available

HMIS Classification

Health hazard: 2

Chronic Health Hazard: 0

Flammability: 0

Physical hazards: 0

NFPA Rating

Health hazard: 2

Fire: 0

Reactivity Hazard: 0

3. Composition

Ingredients/Components:

Chemical Name: EDC • HCl; N - (3 - dimethylaminopropyl) - N' - ethylcarbodiimide

Molecular formula: C8H17N3 • HCl

Molecular weight: 191.7 CAS-No 25952-53-8 EC-No 247-361-2

4. First Aid Measures

Inhalation:	If dust is inhaled, remove from contaminated area.		
	Encourage patient to blow nose to ensure clear passage of breathing.		
	If irritation or discomfort persists seek medical attention.		
Ingestion:	If swallowed do NOT induce vomiting.		
	If vomiting occurs, lean patient forward or place on left side (head-down position, if possible) to maintain open airway and prevent aspiration.		
	Observe the patient carefully.		
	Give water to rinse out mouth, then provide liquid slowly and as much as casualty can comfortably		
	drink.		
	Seek medical advice.		
Skin:	If skin or hair contact occurs:		
	Flush skin and hair with running water (and soap if available).		
	Seek medical attention in event of irritation.		
Eyes:	If this product comes in contact with the eyes:		
	Wash out immediately with fresh running water.		
	Ensure complete irrigation of the eye by keeping eyelids apart and away from eye and moving the		
	eyelids by occasionally lifting the upper and lower lids.		
	If pain persists or recurs seek medical attention.		

Extinguishing media:		Water spray or fog.	
		Alcohol resistant foam.	
		Dry chemical powder.	
		BCF (where regulations permit).	
		Carbon dioxide	
		Carbon dioxide	
Special firefighting procedures:		Alert Emergency Responders and tell them location and nature of hazard.	
		Wear breathing apparatus plus protective gloves. Prevent, by any means available, spillage from entering drains or water	
		course. Use water delivered as a fine spray to control fire and cool adjacent	
		area.	
		DO NOT approach containers suspected to be hot.	
		Cool fire exposed containers with water spray from a protected	
		location.	
		If safe to do so, remove containers from path of fire.	
		Equipment should be thoroughly decontaminated after use.	
Unusual fire and explosions hazards:		Emits toxic fumes under fire conditions	
J	-		
6. Accidental Release	<u>Measures</u>		
Spill response		ignition sources.	
	Clean up all spills immediately.		
	Avoid contact with skin and eyes.		
	Control per	rsonal contact by using protective equipment.	
		Use dry clean up procedures and avoid generating dust.	
	Use dry cle		
	Use dry cle Place in a s	uitable, labeled container for waste disposal

9. Physical and Chemi			
Physical State	Solid		
Odour	Not available		
Solubility in Water	Not available		
Specific Gravity	Not available		
pН		Not available	
Boiling Point	Not available		
Melting Point		Not available	
Flash Point		N/A	
Vapor Pressure:	N/A		
Vapor Density:	N/A		
10. Stability and Read	ctivity		
Thermal Decomposition		No data available	
Dangerous Products of		No data available	
Dangerous Reactions	Decomposition	COx, NOx when burned	
	•	entilated place. Store in 4°C refrigerator.	
RTECS Number		N/A	
Toxicity		No information available.	
Health Hazards		Although ingestion is not thought to produce harmful effects, the material may still be damaging to the health of the individual following ingestion, especially where pre-existing organ (e.g. liver, kidney) damage is evident. In an occupational setting however, ingestion of insignificant quantities is not thought to be	
D		cause for concern.	
Potential Hazards		Not available	

Carcinogenicity:	No significant acute toxicological data identified
OSHA Permissible Exposure Limit(PEL) Data	N/A
ACGIH Threshold Limit Values (TLV)	N/A

Reproductive Toxicity: No information available

12. Ecological Information

No information available.

13. Disposal Considerations

All waste must be handled in accordance with local, state and federal regulations. Legislation addressing waste disposal requirements may differ by country, state and/ or territory. Each user must refer to laws operating in their area. In some areas, certain wastes must be tracked.

14. Transport Information

Hazard Class	N/A
Identification Number	N/A
Packing Group	N/A
Proper Shipping Name (DOT)	N/A

15. Regulatory Information

California Proposition 65: N/A

US TSCA (Toxic Substance Control Act): N/A

US CERCLA (Comprehensive Environmental Response, Compensation, and Liability Act: N/A

US SARA Title III (Superfund Amendments and Reauthorization Act: N/A

US Other: N/A

EC EINICS (European Inventory of Existing Commercial Chemical Substances) Number: N/A

EC Risk Statements: N/A

Other Country Regulations: N/A

16. Other Information

It is not intended for food, drug, household, agricultural or cosmetic use. A technically qualified individual experienced in handling potentially hazardous chemicals must supervise its use. The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. Users should make independent decisions regarding completeness of the information based on all sources available. AnaSpec shall not be held liable for any damage resulting from handling or from contact with the above product.
